			Publishing	Communicating Within Communities: Capacity Building to Communicate Your Science That Cares	Open Developmental Science	Dyadic and Network Approaches to the Study of Peer Relationships	The Promise: Preparing Young People and Their Families for the Challenges of a Warming World	An Introduction to Latent Curve Model in Developmental Science
			Jennifer E. Lansford	Dawn England & Patrick Njoroge	Marlies Maes & Lois Schenk	Brett Laursen & Rene Veenstra	Pamela Wadende & Sander Thomaes	Antonio Zuffianò & Giuseppe Corbelli
17:00-17:30	Opening Ceremony							
17:30-18:30	Keynote Lecture 1 - KL001							
	Dynamics of Gains and Losses Across Adulthood and into Old Age							
	Alexandra M. Freund							
18:30-20:00	Welcome Reception							

Day 2 Monday, June 22, 2026

Time & Location	2F									3F									
	Premier A	Premier B	Premier C	201	202	204	205	206	207	304	305	306	307	308	309	310	311		
Symposia 1 08:30-10:00	IS001	SY001	Poster Session 1	SY002	SY003	SY004	SY005	SY006	SY007	SE001	SY008	SY009	SY010	SY011	SY012	SY013	SY014		
	AI Approaches to Understanding Youth Delinquent Behavior Juyoung Song	Identifying, measuring, and scaling nurturing care across the full arc of protracted crisis and recovery Paul Hastings		Analytic Advances for Understanding Children's Behaviour, Well-being, and Schooling Over Time Haochen Zhou & Kate Reynolds	Cultural Construction of Adolescent Popularity: Cross-Country Evidence from the United States, Canada, and China Luhao Wei & Mingqi Li	Measuring Socio-Emotional and Socio-Cognitive Development From Infancy to the Preschool Years: Achievements and Challenges Ronit Roth-Hanania	Early Childhood Interventions to Prevent Violence Against Children and Women Jorge Cuartas	Socioecological Pathways of School Bullying and Violence among Asian Adolescents: Evidence from Four Studies Jungup Lee	The Development of Gendered Power Concepts Across Cultures Francesco Margoni & Yusuke Moriguchi	TWCF: Fostering Character Strengths and Socio-Emotional Skills in Education Settings Worldwide: Learnings from the Global Innovations for Character Development Initiative Andrica Smith-Munroe	Embracing inclusion, positive culturally responsive interventions to childhood and youth development in South African context Linet Muhati-Nyakundi	Fathers as Catalysts of Cognitive, Behavioral, and Emotional Development Across Diverse Contexts: A Strength-Based Perspective Quentin Riser	Advancing Parenting Interventions by Investigating Mechanisms, Processes, and Pathways to Improve Child Wellbeing Loes Van Rijn - van Gelderen	Effects of Classroom Status Hierarchy on Psychosocial Adjustment: Methodological Advances and Evidence from Three Countries Sarah Malamut	Family Contexts as Sources of Risk and Protection among Korean Youth Jeesoo Jung & Jiyun Shin	Bilingual Beginnings: Language and Cognitive Development in Multilingual Contexts Serene Siow & Henriëtte Hendriks	Neuroscience and AI Tools in Dialogic Reading Research Shinmin Wang		
10:00-10:30	Coffee Break		Presentation																
Symposia 2 10:30-12:00	RT001	KL002 (10:30-11:30)		SY015	SY016	SY017	SY018	SY019	SY020	SE002	SY021	SY022	SY023	SY024	SY025	SY026	SY027		
	Children and Climate Change Paul L. Harris	Social Change and Adolescent Development in China: Cohort Comparisons Over 30 Years Wenxin Zhang		Integrating Implementation Science Methods to Support Early Childhood Programs and Practices: Case Studies from Singapore Kembell Lentejas	Linking Parental Socialization to Individual and Interpersonal Functioning from Early Childhood to Adolescence in Taiwan Hung-Yang Chen & Marissa Yi-Hsuan Wu	Comparative Perspectives on Children's Online Problems and Countermeasures in Japan, South Korea, and Malaysia Tomoyuki Kanetsuna	Collaborative Knowledge-Making: Inclusive Research Methodologies for Studying Systemic Resilience Joyce Weeland & Amanda Sheffield Morris	From Early Childhood to Adolescence: Multilevel Determinants of Digital Behaviours and Well-Being Haoyu Zhao & Bowen Xiao	Using a Kernels Approach to Support the Development of Children's Self-Regulation Skills in Different Contexts Elina Malleus-Kotšegarov & Stephanie M. Jones	TWCF Care Everywhere Symposium: Kindness Development in Adolescents in Diverse Geographic and Cultural Contexts Sonja Perren	The Influence Factors of Prosocial Behaviors and Their Underlying Mechanism in Children Zhenhong Wang & Wen Liu	Co-constructing and Communicating Science that Cares: Innovative Methodologies for Conducting Research with Communities Dawn England & Patrick Njoroge	Theory of Mind and epistemic development: Cross-cultural evidence from childhood to adulthood Christopher Osterhaus & Claire Hughes	Home and Digital Media Environments in Early Childhood Development: Evidence from Taiwan Chien-Ju Chang & Chih-Wen Wu	Teachers and Peers as Agents of Positive Group Dynamics in the Classroom Fanny De Swart	From Risk to Resilience: Multilevel Developmental Pathways in Diverse Adolescents Ka I Ip	How Parents Shape and Are Shaped by Children's Emotional Worlds Reout Arbel		
12:00-13:00	Lunch Break											Early Career Lunch Meeting 01 Ella Daniel & Marvin Kapenda					Developmental Scientists for Climate Action: Lunch Conversation Hour Ann Sanson & DevSCA		
Location	Premier A	Premier B	Premier C	201	202	204	205	206	207	304	305	306	307	308	309	310	311		
Symposia 3 13:00-14:30	SY028	SY029	Poster Session 2	SY030	SY031	SY032	SY033	SY034	SY035	SY036	SE003	SY037	SY038	SY039	SY040	SY041	SY042		
	Developmental Dynamics of Prosocial Behavior from Toddlerhood Through Adolescence Markus Paulus & Kristen Dunfield	Autonomy and Familial Obligation: Preparing Adolescents for the Future across Contemporary Asian Contexts Nancy Hill & Yixuan Cui		How family risk and resilience shape children's developmental outcomes Xiafei Wang	Who builds better relationships with Students? The role of teacher characteristics in affective teacher-student relationships Mengdi Chen	Secure Base Scripts and Developmental Resilience: Regulatory Pathways and Responses to Family and Sociocultural Stress Rui Yang	Socializing Mindsets and Promoting Youth Emotional Well-Being Across Developmental Contexts Hae Yeon Lee	Positive Development in Youth and Adults from a Global Perspective Nora Wiium	Digital Solitude From Adolescence to Young Adulthood: Motives, Engagement, and Mindsets Tingting Fan	The impact of parent social attitudes on young children's social cognition Michal Reifen-Tagar	Memorial Round Table Celebrating the Life and Legacy of Katarina Salmela-Aro Frosso Motti	Theory of Mind in Family Contexts Claire Hughes	Fatherhood in Diverse Family and System Contexts: Implications for Positive Child Development Joyce Lee	Parenting Programs in Global Context: Evidence, Implementation, and Future Directions Jorge Cuartas	Understanding Youth Climate Experiences: Cross-National Perspectives on Emotion, Coping, and Mental Health Tooba Nadeem Akhtar & Alexis Briant	Parents adapt to children's learning characteristics during parent-child interaction: evidence from linguistic and communicative inputs Ye Li	Stress, sleep, and the underlying physiological mechanisms among adolescents and young adults Mingjun Xie		
14:30-15:00	Coffee Break		Presentation																
Symposia 4 15:00-16:30	IS002	SY043		SY044	SY045	SY046	SY047	SY048	SY049	SY050	SY051	SY052	SY053	SY054	SY055	SY056	SY057		
	ISSBD-SRA Joint Symposium Growing Up in Times of Increasing Uncertainty and Inequality: The Impact of Poverty on Children and Young People Charissa Cheah	Why Does Early Experience Predict Later Skill? Erika Hoff		Unpacking measurement properties across modality and context in early childhood development assessments globally Jorge Cuartas	Gender-Related Beliefs from Childhood to Adolescence: Developmental Origins and Youth Outcomes Li Niu	Emerging Patterns of Fatherhood in Latin America: Work-Family Dynamics, Parental Burnout, and Parenting Competencies Daniela Aldoney	Diverse Contexts of Adolescent Friendship Influence: Daily Experiences, Social Status Norms, Gender Typicality, and Displacement Julie Bowker	Mediators and Moderators of Parental Self-Regulation, Parenting, and Child Dysregulation Daniel Choe	Social Contexts, Relationships, and Psychological Adjustment in Chinese Adolescents Long Hei	Family Systems and Early Development: Insights from Parenting, Co-parenting, and Grandparenting in Chinese Families Bin-Bin Chen	Relationships as Sites of Harm and Recovery: Youth Navigating Adversity Across Contexts Jungup Lee	Promoting Social-Emotional Development in Early Childhood Education: The Role of Educators and Peers Sina Gihardt	Parental Sensitivity and Children's Psychological and Physical Health: Meta-Analytic Findings and Intervention Research Anne Rifkin-Graboi	Targeted Interventions Against Bullying: Understanding How and For Whom They Work Claire Garandeau	Approaches to Early Childhood Intervention: Efficacy from School to Home and Beyond Alejandro Vásquez-Echeverría	Multi-Level Pathways to Children's Socio-Emotional Development: From Early Skills to School Interventions Antonella Brighi	Time, Space and Culture: 80 Years of Childrearing Practices in Seoul, Korea Hye Jun Park & So Yeon Yun		
Symposia 5 16:30-18:00	RT002	IS003		SY058	SY059	SY060	SY061	SY062	SY063	SY064	IS004	SY065	SY066	SY067	SY068	SY069	SY070		
	Intersections of Digital Design, Child Behaviour, and Self-Regulation Development Steven J Howard	Human Development and Megatrends Facing Families: Technology, Climate Change, Demographic Shifts, and Migration Jennifer E. Lansford		Queer and Trans Youth Development Across Global Contexts: Identity, Belonging, and Systems of Power Fernando Salinas-Quiroz	Who knows best? Repositioning expertise in three engaged research projects Eva Borkhuis	Supporting Post-Divorce Adjustment and Blended Family Functioning: Evidence, Experiences, and Intervention Strategies Fieke Pannebakker	Optimizing socioemotional and learning outcomes through aligned parenting practices, school-based intervention, and engagement strategies Hoi Shan Cheung	Biases in Youth Social Self-Perceptions: Developmental and Contextual Insights Mengtian Xia	The Role of Parents' Emotion Regulation and Mental Health in Shaping Children's Emotion Regulation Esther Chung	Parenting Practices in Asian Contexts: The Influence of Culture and Children's Interpretations Siman Zhao	Global Parallels and Local Realities: Relational Influences on Socioemotional Development in Latin America Tatiana Plata-Caviedes	The social world of schools: Network approaches to understanding peer relationships in educational settings Chloe Bracegirdle & Jack Andrews	Parenting under Challenge: Parental Mentalization, Family Context, and Child Adjustment in Times of Strain Florina Uzefovsky	Fostering Prosocial Development in Unequal Societies: Morality and Intergroup Dynamics across Adolescence Bernadette Paula Luengo	Beyond the Screen: Family Dynamics and Child Well-being in a Digital Age Sha Xie	Disadvantage Children's Mental Health and Intervention in China Wen Liu & Linqin Ji	Risk and Protective Processes in the Family Context for Adolescent Psychopathology and Resilience Kalsea Koss		
18:00-19:00			Early Career Reception																

Label	Keynote Lecture KL	Invited Symposium IS	Special Event SE	Paper Symposium SY	Roundtable Discussion RT	Poster Symposium PS
